

MUSIC EDUCATION, THOUGHTFULLY REBUILT

Don't just learn songs. Become a musician.

Structured lessons, personal mentorship
and progress your family can actually
see — a complete music-learning
system.

GUITAR · PIANO · VOCALS · UKULELE · DRUMS · VIOLIN

SCAN TO ENQUIRE

Not another music class. A real system.

Progress depends on memory	Progress is recorded & visible
Songs taught at random	Technique, theory & repertoire together
Parents kept in the dark	Attendance, homework & reports in a portal
Missed classes create confusion	Scheduling & attendance documented
Fees handled informally in cash	Secure payments in the company's name

SIMPLE MONTHLY PLANS

Begin here

The Foundation

Never guess what’s happening in your child’s learning.

A real view of the Musicphonetics Parent Portal (demo account) — everything in one place:

- **Was the class done?** Attendance & the next scheduled class.
- **What should we practise?** Homework after every class.
- **Is my child progressing?** Curriculum progress & a monthly report.
- **When is payment due?** Fees, invoices & receipts.

Exam preparation

Every teacher is personally selected — interview, a demo lesson, and identity, document & background verification — before they ever meet your child. Showcases & stage opportunities are offered subject to programme and event availability.

★★★★★ · Google review

“The team at Musicphonetics is very professional and thoroughly passionate about music. They seamlessly connect with their students.”

— Suruchi Jain · verified Google review

YOUR NEXT STEP

Book Your Personal Learning Consultation

A short, no-pressure conversation about the student's age, goals, instrument, location and the right learning path — before anything is decided.
